3. GENERAL PRINCIPLES RELATED TO PROCESSING PERSONAL DATA, TERMS AND PURPOSES OF PROCESSING PERSONAL DATA

Your personal data has been processed in accordance with the general principles determined by Article 4 of LPPD, in accordance with law and good faith, accurately and updated when necessary, for specific, clear and legitimate purposes, linked to the purpose for which they were processed, limited and restrained and being kept during the time stipulated in the relevant legislation or during the time required for the purpose for which they were processed.

Personal data cannot be processed without the explicit consent of the Personal Data Owner pursuant to Article 5 of LPPD. However, according to the same article provision, in case one of the following conditions exists, it is possible to process personal data without seeking the explicit consent of the Data Owner:

- If being stipulated in the Law,
- If a person, who is unable to disclose his/her consent due to de facto impossibility, or whose consent is not legally valid, is obliged to protect one's own life or someone else's life or body integrity,
- If it is necessary to process personal data of the contracting parties, provided that it is directly related to the establishment or performance of a contract,
- If it is mandatory for the Data Controller to fulfil his/her legal obligations,
- If the personal data is publicized by the Data owner himself/herself,
- If data processing is mandatory for the establishment, use or protection of a right,
- If data processing is mandatory for the legitimate interests of the Data Controller, provided that it does not harm the fundamental rights and freedoms of the Owner of Personal Data.

The Company processes your personal data subject to this Disclosure Text herein, for the purposes of evaluating job applications correctly, running candidate application and recruitment processes in accordance with Company policies and legislation, fulfilling obligations arising from the law, and planning administrative and personnel affairs.

Moreover, your personal data may be used by the Company for security purposes and/or to protect the legitimate commercial interests of the Company or to prevent or investigate suspected or actual violations of the law, violations of working conditions or non-compliance with the Company's business principles or Company policies.

As long as permitted with the above purposes and relevant laws, if information supporting the doubts regarding violation of the Company's general principles or policies or other relevant laws during employment relationship, following measures may be taken:

- To access, research, monitor and archive the data and messages which have been sent, accessed, displayed or stored (including those sent from corporate email);
- To investigate phone records;
- To track physically, by video or electronically, to search work environment (e.g. file cabinet, desks and offices even if they're locked.)
- To disclose the information obtained in the searches pointing to possible illegal behaviour to law enforcement officers.

Lastly, your personal data may also be recorded via video or other electronic, digital or wireless tracking system or device (e.g. CCTV, key access systems) due to security reasons.

4. COLLECTION METHODS OF PERSONAL DATA and LEGAL REASONS

Your personal data may be collected, processed and transferred by the Company, in accordance with the basic principles stipulated by LPPD, within the scope of personal data processing terms specified in Articles 5 and 6 of LPPD, for the purposes specified in this Disclosure Text, herein, with the channels such as;

- Submitting applications by you via digital ways,
- Submitting applications by you via physical ways.

Your personal data subject to this Clarification Text herein is obtained and processed due to the legal reasons that they are required for the legitimate interests of the Data Controller and that your explicit consent has been observed.

5. TRANSFER OF PERSONAL DATA, TRANSFER PURPOSES AND DURATIONS

6. SECURITY OF YOUR PERSONAL DATA

The Company takes appropriate measures that are consistent with relevant privacy and data security laws and regulations in order to protect your personal data and depending on the state of technology, application costs and content of the data to be protected, it implements technical and institutional measures to prevent risks such as destruction, loss, alteration, unauthorized disclosure or unauthorized access to your data.

Personal data subject to this Clarification Text herein are kept accessible only to limited people within the company. These personal data will be deleted, destroyed or anonymized at the end of the processing period as indicated in the company's Personal Data Processing, Retention and Disposal Policy.

7. RIGHTS AND OBLIGATIONS OF THE PERSONAL DATA OWNER

Employee candidates are responsible for ensuring that the personal data they share with the Company are accurate, complete and up-to-date, and if personal data belonging to other people are shared, they are responsible for collecting these data in a valid manner and in accordance with the legislation.

The employee candidate will inform other people who provide their personal data to the Company about the content of this Notice and the candidate is obliged to obtain their consent regarding their personal data to be used by the Company as specified in this Notice (including transfer and disclosure).

Within the scope of LPPD and relevant legislation, personal data owners have the rights below;

- To learn whether their personal data has been processed or not,
- If personal data has been processed, to request information about that,
- To learn the purpose of processing personal data and whether they are used in accordance with their purpose,
- To know the people to whom personal data have been transferred domestically or abroad,
- In case of missing or incorrect processing, to request correction of personal data, and to request notification of the transaction made within this scope to third parties to whom personal data has been transferred,
- To request the deletion or destruction of personal data if the reasons that require processing disappear although it has been processed pursuant to the provisions of Law No. 6698 and other relevant laws.
- To object to the emergence of a result against the person himself/herself by analysing the processed data exclusively through automated systems,
- To request the indemnification of the loss, in case he/she suffers a loss due to processing of personal data in violation of law.

As Personal Data Owners, you can submit your application, which includes your requests regarding your rights, clearly and understandably and by adding documents identifying credentials and address information; by hand with written and wet signature, by mail or through a notary public to the Data Controller Company's **Rumeli Feneri Cad. No: 280 Garipçe Mah. 34450 Sarıyer/İSTANBUL** address or to kmoanadolu@hs03.kep.tr PTT KEP addresses.
